

# Support categories & benefits

**ARISE** is a Roundtable where only invited faculty and companies can participate. The goal is to have companies from different fields involved. ARISE is then inviting your company to participate in this meeting by supporting this excellent platform that has a goal to foster consensus in areas of major relevance to ARISE and the networks needed to design/conduct successful trials in the field.

You have the possibility to bring your company's representatives, according to your support level. Please contact us to discuss the possibilities.

1. Platinum
2. Gold
